**NARRATIVE:**

Lino Garcia is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include assault with a deadly weapon causing great bodily injury, battery with great bodily injury, domestic violence with injury, possession of ammunition, grand theft auto, false identification to a peace officer and multiple cases of possession of controlled substances. He has served multiple state prison incarcerations, the longest being a 6 year term for assault with a deadly weapon causing great bodily injury. Garcia was released from state prison to the supervision of the Los Angeles County Probation Department on May 3, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2015 after he absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the possession of ammunition is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
